MultiSpeed

**Multifunctional
for an ever
Changing World**

The only machine you need

The Multi-Speed offers 3 speeds, 200 rpm, 400 rpm and 600 rpm. This allows the user unlimited cleaning power with the capability to carry out any cleaning task with a rotary machine. For excellent scrubbing, spray cleaning, burnishing, bonnet mopping and carpet bonnet mopping look no further than the Victor Multi-Speed.

Simple to use controls

To activate any of the speeds, simply stop the machine and turn the switch on the speed control box to the desired level and continue cleaning.

Soft start for Maximum control

The Victor Multi-Speed features a controlled soft start. This is particularly useful for inexperienced operators or those who require a precision clean. It also helps to control the machine on start up during carpet bonnet mopping or shampooing.

Full Range of Attachments are Available

All of the current attachments are available for the Victor Multi-Speed to help you get the most out of its cleaning power. The full range of boards and brushes, tanks, skirts and the exhaustor unit for added vacuumation can also be fitted.

The Victor MultiSpeed is a truly multifunctional machine. Scrubbing, spray cleaning, burnishing and effective carpet cleaning, the MultiSpeed is the ultimate cleaning machine.
