

Easy Sweep

Push Along Sweeper

Manual Operation

No batteries or electricity required.

Environmentally Friendly

Silent, light and easy to use.

Built to last

The Easysweep is designed to be easy to maintain with few moving parts and the solid casings and protection make it a tough machine designed to give years of use.

Productive

Will sweep 930 m² / hr.

Effective Side Brush

The side brush allows the machine to sweep right up to edges, permitting a complete area sweep.

Multi-surface use

The Easysweep can be used indoors or out and on a variety of hard or soft floor surfaces. It is effective on low profile carpet.
