WV35

The Ultimate in Wet Vacuuming

Genuine 35-litre capacity

Both the WV35 and the WV35N feature a large 35 litre capacity for wet pick up.

HEPA filtration available for Dry Use

The dry use kit for the WV35N has a HEPA filter option for safe dust removal over larger area's.

Dump Hose for Ease of emptying

Both machines have a dump hose fitted on the back that allows complete emptying

WV35N fixed nozzle

The WV35N has a fixed nozzle for cleaning large area's of floor quickly. The machine is operated by simply pushing or pulling allowing the operator to work with maximum efficiency. The wand tool can be fitted to the WV35N and is available as an optional extra.

WV35 Wand for precise pick up

The WV35 has a wand that enables precise pick-up over smaller areas along with the flexibility to clean larger wet areas.

The WV35 and WV35N (pictured above) provide powerful wet and dry vacuuming with a genuine 35-litre capacity pick-up.

Technical Data		
Product Code	V-WV35	V-WV35N
Voltage (V)	240	240
Motor Power (Watts)	1000	1000
Airflow (l/s)	56	56
Waterlift (mm)	2300	2300
Noise Level (dBA)	65	65
Weight (kg)	19.8	19.8
Capacity (litres)	35	35
Cable Length (m)	12	12
Dimensions LxWxH (mm)	470x500x845	470x500x845
Cleaning Width (mm)	430	600

The WV35N has a wide cleaning width of 600 mm created by its special squeegee cartridge. The squeegee is self-levelling to provide superb water pick up on uneven flooring.

The red squeegee cartridge is easily removed for cleaning and its design provides exceptional pick-up capability. When the unit is worn, rather than the costly and timely process of replacing squeegee rubbers, the old cartridge is simply removed, recycled and replaced with a new one.

The large internal float assembly has the unique ability to float on foam, protecting the motor from damage and makes the WV35 and WV35N ideal for use when high foaming cleaning products have been used.

The WV35 range are extremely powerful and will even collect water from carpets when fitted with the carpet wand. This makes it the complete solution to all your wet vacuuming needs.
