

SPRITE 300

Slimline Single Disk Rotary

The Sprite 300 is one of the most slimline machines on the market today, allowing it to be used in the tightest of areas.

The Sprite 300 operates at our standard speed (240 RPM) to give the operator the opportunity to carry out a number of cleaning tasks on both hard floors and carpets.

The fold over handle allows the machine to be stored in the smallest of cleaning cupboards and the brush hook on the rear of the handle provides convenient storage for either a brush or drive board.

As you would expect from such a versatile machine, a full range of accessories is available for the Sprite 300. These include tanks and a variety of brushes, polypropylene for scrubbing, for polishing and shampoo brushes for carpets.

- ✓ **Made in the UK**
- ✓ **3 Years Warranty**
- ✓ **Delivered fully assembled and ready for use.**
- ✓ **Drive board included**
- ✓ **Maintenance packages available on request**
