

CONTRACTOR CORDLESS

Single Disk Rotary

The Contractor Cordless rotary machine offers unrivalled value and performance across a range of hard floor cleaning tasks including buffing, spray cleaning, scrubbing and bonnet mopping.

This high speed (240rpm) machine comes supplied with a 400mm drive board, providing the flexibility to effectively carry out most hard floor cleaning tasks.

With fast charge times and long runtime the Contractor Cordless is ideal for daytime cleaning where trailing cables could cause a trip hazard.

The Contractor Cordless features a lockable, swap-out battery, making it ideal for operatives who require long runtimes, offering the ability to charge multiple batteries.

This versatile machine can be fitted with an optional cleaning solution tank for scrubbing or bonnet mopping.

The lower profile extended base allows users to clean effectively beneath overhanging shelving, tables, hospital beds and other low level furniture.

- Made in the UK
- 3 Years Warranty
