

HYPERGLIDE 350

Ultra-Compact

The Hyperglide 350 is an ultra compact, upright scrubber dryer for all types of hard floors and carpets. It's contra-rotating brushes leave floors clean and dry within minutes, making this ideal for hotels, restaurants, bars, schools, offices, shops and healthcare facilities.

Effective on most floor types, particularly safety flooring, tiled floors, carpets and entrance matting.

Supplied with medium grade (grey) brushes, designed for universal use, however more specialised brushes are available.

The Hyperglide 350 is extremely light in operation and even with a full tank is comfortable to use with one hand. Similar to an upright vacuum cleaner, the Hyperglide is very simple to use which means minimal training requirements.

✓ Contra rotating brush design

Cleans and dries at the same time, leaving floors touch dry instantly.

✓ Effective on multiple floor types

Effective on most floor types, particularly safety flooring, tiled floors, carpets and entrance matting

✓ Simple, but built to last

Easy access to routine maintenance parts

✓ Light & easy to Use

Simple controls mean less training is required.
