

LYNX CORDLESS

Burnishing

The Cordless Lynx is a revolution in hard floor spray cleaning and burnishing.

With fast charge times and long runtime the Lynx Cordless is ideal for daytime cleaning where trailing cables could cause a trip hazard.

The Lynx Cordless operates at 800 RPM to give excellent productivity in spray cleaning or burnishing and a superior finish on the floor.

The Lynx features a lockable, swap-out battery, making it ideal for operatives who require long runtimes, offering the ability to charge multiple batteries.

The Lynx Cordless also features a passive vacuum which helps collect surface dust into an on-board dust bag.

Easy to use, fold-over handle allows the Lynx to be stored in the smallest of places.

- Made in the UK
- 3 Years Warranty
- Drive board, battery & charger included
- Maintenance packages available on request

Code	Description
VR-BL15	Lynx Battery Burnisher 400mm (15")

Suitable for

- ✓ Hard floor Burnishing
- ✓ Hard floor spray cleaning

Key features

Superior Results
800 RPM operating speed gives excellent productivity and finish.

Long-Life Use
Toughened plastic pad gripper prevents pad from working use and ensures longevity.

Lockable, Swap Out Battery
Swap out battery enables operatives to use multiple batteries for longer runtimes.

Passive Vacuum
Passive vacuum collects dust particles to help create a perfect finish.

Consumables
