

LYNX CORDLESS

Burnishing

The Lynx Cordless is a revolution in hard floor spray cleaning and burnishing.

With fast charge times and long runtime the Lynx Cordless is ideal for daytime cleaning where trailing cables could cause a trip hazard.

The Lynx Cordless operates at 800 RPM to give excellent productivity in spray cleaning or burnishing and a superior finish on the floor.

The Lynx features a lockable, swap out Lithium battery, making it ideal for operatives who require long runtimes, offering the ability to charge multiple batteries.

The Lynx Cordless also features a passive vacuum which helps collect surface dust into an on-board dust bag.

Easy to use, fold-over handle allows the Lynx to be stored in the smallest of places.
