

MULTISPEED CORDLESS

Variable Speed Single Disk Rotary

The Victor Multispeed Cordless rotary Machine is the ideal choice for venues where hard flooring requires both deep cleaning and polishing, such as schools, colleges, nightclubs, hospitals etc.

Ideal for users who require a rotary floor tool for multiple different uses, but don't want the cost of maintaining of multiple machines. The Victor Multispeed Cordless can easily switch between different speed settings at the flick of a switch. - Slower speeds (180RPM) for scrubbing and higher speed (400RPM) for polishing.

With fast charge times and long runtime the Multispeed Cordless is ideal for daytime cleaning where trailing cables could cause a trip hazard.

The Multispeed Cordless features a lockable, swap out Lithium battery, making it ideal for operatives who require long runtimes, offering the ability to charge multiple batteries.

A CentreFlex drive board is included with the machine, allowing for quick and easy attachment of the appropriate pad to suit the user's specific cleaning requirements.

- Made in the UK
- 3 Years Warranty
- Drive board, battery & charger included

Code	Description
VR-BMSI400	Battery Multispeed Rotary (400mm)

Suitable for

- ✓ Hard floor scrubbing
- ✓ Hard floor polishing
