

UCS VACUUM CLEANER

Commercial Upright Vacuum

Tough, high performance upright vacuum cleaner for professional applications, featuring individual brush and suction motors for superb cleaning performance and reliability.

With fast, dust-free bag change, a range of tools and wand hose stored conveniently on the machine and a cleaning width of 350mm the UCS cleans quickly and thoroughly with the minimum of effort.

The UCS has been designed to have a 99.9984%* HEPA filtration rate, which is 8x higher than HEPA13 healthcare standards.

The UCS's HEPA filter cartridge captures and traps fine particles, such as pollen, dust mites and pathogens, including bacteria, reducing the risk of recirculation back into the environment.

*HEPA delivers certified HEPA13 standards typically demanded in Healthcare environments of filtration down to 0.3 microns at 99.9984% efficiency (i.e. fewer than 300 particles per million).

✓ **Separate motors for brush and suction**
Maximises machine lifetime and productivity.

✓ **Poly-V belt transmission**
Ensures effective power transmission, maximising performance.

✓ **Brush bristles can be easily replaced**
Reducing cost and need for an engineer.

✓ **Simple, but built to last**
Designed to sustain years of demanding use.

✓ **Made in the UK**
Made in our Birmingham factory.

Code	Description
V-350	UCS Upright Vacuum Cleaner

Key features

Super Low profiles

The Victor UCS has the ability to go completely flat, making it ideal for cleaning under beds and other low level furniture.

On-board Tool Storage

The UCS has easy access, on-board storage for cleaning tools.

Simple Control Panel

A clear and simple LED panel indicates any issues with the brush head.

Powerful Rotating Brush

4-position brush adjustment ensures best results depending on floor type.
